Dear Friend:

The following is my opinion concerning your questions, for which this service is free:

I feel it would be a wonderful trip
for both, back to Mo., & feel you
should go along.

There is little luck to be expected for
you friend prospecting for gold, just a
host of tems and money.

There is no chance to sell this year
a marriage is undecided for your daughter next
year. in teme the cabin place belongs to you and
a clear title.
